Every family that signs up for classes must select one day to clean. Cleaning requires wiping counters, taking out trash, and sweeping. It takes approximately 15 minutes at the end of the class day (some time between 1:00 and 1:45pm). If you are physically unable to clean, you may pay a \$10 buy-out fee to be included with your room-use fee. Your registration will not be processed without a cleaning sign-up or buy-out fee.
